Dear Sir/Madam:

On behalf of Mora County, please accept this letter in support of Guadalupe County's application for the regional behavioral health plan funding.

We understand that under SB3, the Administrative Office of the Courts is providing financial assistance to coordinate the development of the regional behavioral health plan for our designed region. We recognize the importance of this initiative and look forward to being involved in the planning of our community's behavioral health needs.

Mora County is committed to collaborating with San Miguel and Guadalupe Counties in the development of the comprehensive regional behavioral health plan.

Mora County supports the application with Guadalupe County being the accountable agency for SB3.

Sincerely,

Americk Padilla, Sheriff (Mora County Designee for Mora County)
